SCHOOL BUS SAFETY

The importance of safety in the driving of school buses can be seen from the fact that 4,500,000 children in America are transported to school daily in buses. In Illinois 3,000 vehicles serve 583 schools.

The national conference on school transportation, held at Jackson's Mill, W. Va., to draw up recommendations in this respect was a most useful accomplishment of the National Education association. It was found that in one state children of 14 drive school buses. Standards were drawn for submission to various school bodies. The conference asks that age 16 be the minimum.

Recommendations for school bus construction made at a similar conference in 1945 have been adopted by 42 states. We hope that even wider success is met by the driver recommendations. Nothing is more distressing than a school bus tragedy.

SETBACK FOR 2-TERM LIMIT?

President Truman would not be affected by the proposed constitutional amendment limiting presidential tenure to two elective terms, since it specifically excepts Mr. Truman. Therefore, his future wasn't affected by last week's vote, but the Democratic victory is very likely to reduce the amendment's prospects of adoption, since many legislators regard it as a slap at the late President Roosevelt.

To date 21 states have ratified it. Ratification by 36 is required to make it effective. The states have until 1954, however, to pass on the proposal.

Under it, no president could be elected more than twice, and if he had served more than two years of an unexpired term, he could be elected only once. That would exclude Mr. Truman if it were not for the exemption.

Gall Bladder Trouble Helped By Rentox Says E. Peoria Man

Mr. L. Peckenpough, 300 Prospect Ave., East Peoria No Longer Misses Days at Work

"For 2 1/2 years I have suffered terribly from gall bladder trouble," writes Mr. Peckenpough.
"At times the pain was so bad I thought I would die. The gas and bloating brought on by my gall bladder kept me awake at night. I was also dizzy and very run down in general. Some times I was too tired out and weak to get out of bed in the morning and lost days at work. Now after taking Rentox my gas and bloating have disappeared, the pain is gone and I now wake up rested and ready to go to work. My wife and I are both happy as I will not have to lose time at work and with living costs so high it will be easier to get along in the future. I want to state that Rentox is a wonderful medicine."
Hundreds of people are endorsing this great medicine for they are finding that it is just the medicine that they needed to put them on the road to better health. This splendid compound contains 26 ingredients of herbs and other medicinal agents. It works fast to relieve the system of contaminating matter that may have been in the system over a long period of time causing days, weeks, even months of suffering. Why not go to your drug store today and get a bottle of Rentox? You are sure that you get the genuine Rentox Compound, don't be "switched" to another product.

Peiping Rumors Suggest Peace Deal; Observers Say 'Something In Wind'

By WALTER BRIGGS
NEA Special Correspondent

Peiping, China—(NEA)—If you keep your ears open here, you will hear that China is on the verge of being bisected or trisected or split into as many sovereignties as existed at the height of the warlord era—or even on the verge of being welded into a cohesive whole.

This ancient North China city produces rumors as prolifically as a couple of women hobnobbing over the back fence.

The latest—and most discussed—is an absorbing story that a high Nationalist and high Communist recently met in, or on the outskirts of Peiping to discuss the possibility of peace between the Chinese Government and the Communists.

This rumor has gone so far as to suggest that Chou En-lai, who was a principal in Gen. George C. Marshall's truce negotiations and is alleged to be the No. 2 Communist, was the Red peacekeeper.

Gen. Li Tsung-jen, the government's vice-president, supposedly represented Nationalism.

Peace terms, with the Reds receiving preponderant concessions, also were mentioned.

The old Mandarin heard this report from the maker of lotus lanterns, who in turn heard it from his rickshaw boy.

But so pervasive is this rumor—as have been several others—that Gen. Li himself and Dr. Hollington K. Tong, government information chief, felt called upon to deny it. Li said that there was "no substance" to it. Tong called it Communist propaganda.

Nevertheless, one foreign official—echoing others—told reporters that "there's something in the wind."

Peiping is productive of rumors because it flanks a huge Communist-dominated area. Furthermore, Peiping always has been a center of intrigue, international and domestic.

And often it has been the stronghold of recalcitrant warlords seeking to break away, and sometimes doing so, from national authority.

Other rumors persistent enough here to require steady checking: 1. Gen. Fu Tso-yi, the government's able North China commander, and other former warlords are attempting, or have attempted, to build an independent North China along.

Chou En-lai; Rumors say he is the Red peacekeeper.

Gen. Li Tsung-jen; He says the rumors have "no substance."

Facts in China are so elusive and changes so unpredictable that foreign observers feel that they must examine many rumors. In the past many reports which seemed virtually inconceivable eventually proved to be true.

A story is told that a group of correspondents once asked the late Chang Tso-lin, one of the doughtiest warlords, what would occur next in a current civil war.

"You've lived in China one year . . . five years," Chang said, pointing to the various correspondents. "I've lived here all my life. How can you write about what will happen here next month? I don't even know about this afternoon!"

Other rumors persistent enough here to require steady checking: 1. Gen. Fu Tso-yi, the government's able North China commander, and other former warlords are attempting, or have attempted, to build an independent North China along.

While many of the warlords are pessimistic about the central government's chances and actively dislike Chiang's crowd, most of them probably have decided long since that their only hope is to string

The Radio Man With The \$100,000 Answer

New York, Nov. 11.—(AP)—The crown prince of the radio giveaway shows passes out more than \$1,000,000 a year.

And this queer variety of wireless philanthropy pays Mark Goodson at the age of 33 more than the president of the United States gets. His net take is better than \$100,000. How much better is his own secret.

Goodson won a Phi Beta Kappa key at the University of California in 1937 for knowing the right answers. But today his six-figure income comes from asking questions over the air.

He has six network quiz programs, and is probably the most successful young radio producer in the business. Among his shows are "Hit the Jackpot," "Time's Award," "Winner Take All," and "Stop the Music."

But today Goodson's invisible realm like the British empire, has its troubles. Comedian Fred Allen and the Federal Communications Commission are threatening to stop the music of his private cash register.

The FCC has under consideration rules to ban or regulate programs which "buy the audience" by inducing listeners to tune in chiefly in the hope of winning prizes.

Allen is currently engaged in a one-man war against the giveaways. He has posted \$5,000 bond to insure any of his listeners against the loss of any prize they might have won by listening to any rival program.

Better Hooper Poll
Goodson thinks Allen's campaign is only a reflection of the comedian's annoyance because "Stop the Music" aired over a competing network, knocked the funnyman out of a top hooper rating last spring. The most recent hooper poll, however, showed Allen again ahead of the musical quiz show.

"Frankly, I was flattered to have one of America's best comedians throwing rocks at us," said Goodson. "But we aren't going to throw any rocks back at him over the air."

"We feel that the man at the dial is the one who should decide what he listens to—not a comedian or a federal bureau."

He denies that "audience participation" shows—he dislikes the term "giveaways"—are only nuisance programs that attract morons.

"Audience participation shows are about the oldest thing in radio," he said, "but only about 12 percent of the network programs can be classed as this type."

Some Giveaways Fail
"They all aren't bad, and they all aren't successful. As many so-called giveaway shows have failed as have succeeded."

"It's my honest belief that quiz show audiences are considerably above the national average in intelligence and educational background."

"The shows are competitive and appeal to eager, competitive people. Most people realize they have perhaps only one chance in 20,000,000 to win a prize. They tune in for the excitement and entertainment—and I don't think entertainment has to be justified."

Goodson believes he will win what he calls his fight against "the Goliaths of the radio industry."

"The right to tune in is as free as the American ballot," he said. "We'll have quiz shows over the radio just as long as we have baseball or any other game."

Mark is a boyish-faced, stocky, brown-haired man of medium size. He started as a kid actor but had planned to become a lawyer. Then he found there was more money in waiting for a radio audience to give the right answer than a judge. I asked him what his father was.

"A vegetarian," he said.

Far East Plans A World's Fair Hong Kong—(AP)—The Far East's first world's fair will be held on Bangkok next year, Noel Roosevelt, a representative of Catalina Wild Life Expeditions, San Francisco, said in Hong Kong.

The fair, which already has the approval of the Siamese government, will be opened by the King of Siam at Lumpini Park, Bangkok, Dec. 5, 1949.

Roosevelt, one of the fair's promoters, arrived here with a collection of tropical birds, rare reptiles and elephants which he is taking back to the United States. One of the highlights of the fair, Roosevelt said, will be an Oriental beauty contest, the winners of which will be given Hollywood screen tests and tours of the USA.

Elephants with howdahs will give visitors a birds eye view of the fair while sampans and motor boats will carry visitors through the canals surrounding the fair site. Roosevelt said he intends bringing a miniature "Coney Island" to the fair to add a touch of western amusement.

New buildings and hotels are planned to house an estimated 1,000,000 tourists. Roosevelt said he is making arrangements for 50,000 American visitors. Of the fair's 1500 concessions, the United States has been allocated 200, Roosevelt said.

Let's Weigh the Evidence

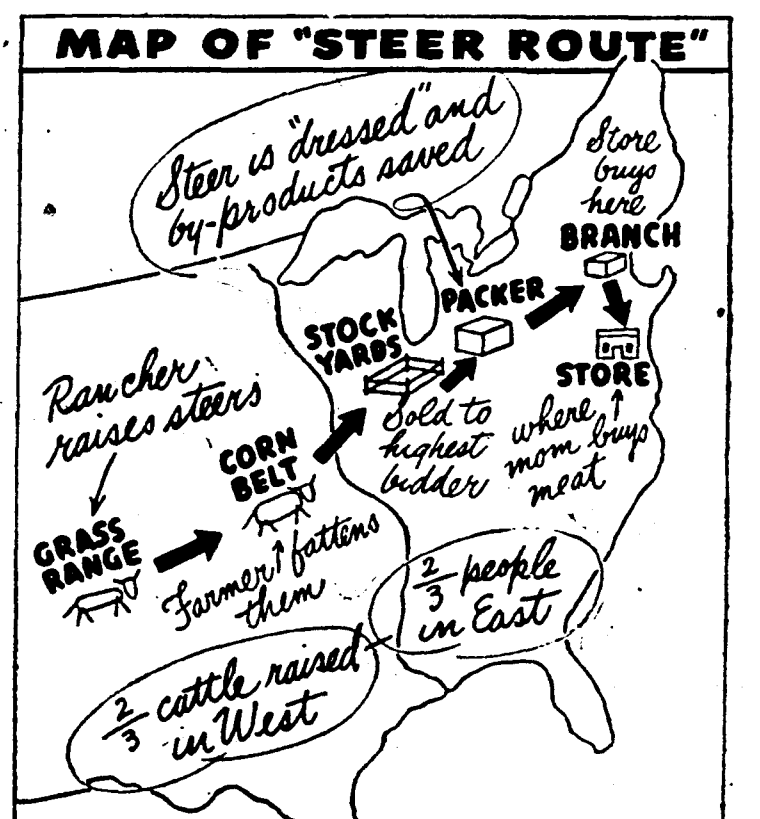

Your scales can be a valuable ally to your judging eye! For years livestock breeders have kept weight and performance records, as well as pedigrees. Now many commercial producers are taking a tip from them. Recording birth weights and weaning weights of calves, pigs and lambs. Using their records to help cull, to select their likeliest breeding stock.

There is lots of evidence of the value of your scales in helping your eye. Here are just a few examples:
1) At Purdue University they weighed 7,554 pigs from 784 litters. Here's what they found. Pigs that weighed THREE pounds at birth averaged 28 pounds at weaning. But pigs that weighed TWO pounds at birth weighed only 21 pounds at weaning. Of the heavy pigs, 77% lived to weaning age, against only 49% of the light pig. And right up to market weight, the heavier pigs had a higher rate of gain.

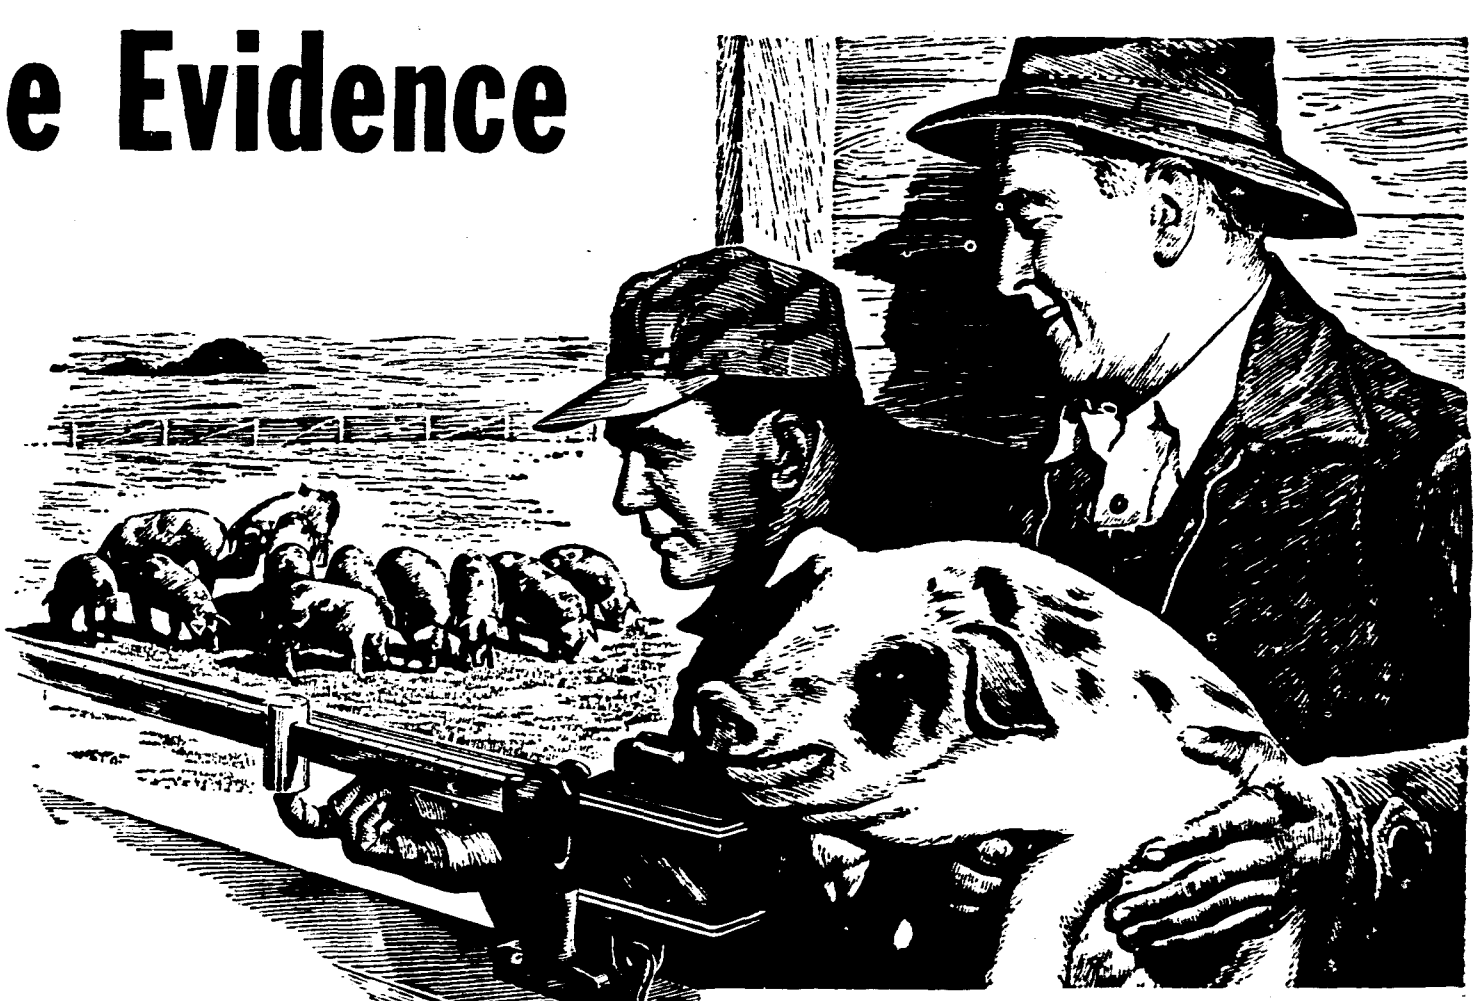

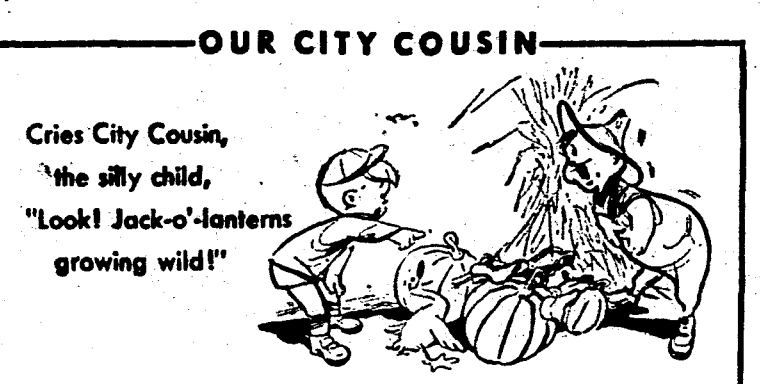

2) The U. S. D. A. has kept a 14-year record on beef calves. Birth weights vary from 40 to 109 pounds. Their finding: heavier-than-average calves reach a 500-pound weaning weight and 900-pound marketing weight faster than lighter-than-average calves. You know what that means! Less feed. More and quicker profit.
3) Sheep Experiment Station men at Dubois, Idaho, find they can use the scales to select breeding stock for greater production in the future. Their ewe lambs, which are heavier than average at weaning time, prove to be the best producers in total lamb weight and fleece weights.
4) At the University of Wyoming they divided dairy heifers into light and heavy weight groups. The "heavies" weighed 24 pounds more at birth. But at six months they averaged 43 pounds more per animal.

You need a good "judging eye" to tell you whether an animal has good conformation, is true to type, etc. But the evidence of recorded weights does point strongly to a general rule which can help your eye:
Keep or buy animals heaviest at birth or weaning!

Soda Bill Sez:
It pays to say good of folks. A feller will nigh "bust" himself trying to be as good as he thinks you think he is.

From grass range to gas range, in our big nation most of the livestock is raised far from where it is eaten—an average of more than 1,000 miles. Swift & Company helps bridge this gap and balance the supply in one area with the demand in another. Efficient processing and distribution keep the meat moving to markets all over the country. For these services Swift earns a profit of a fraction of a cent a pound. This has no noticeable effect on either meat or livestock prices. It's the demand for the available supply in the nation-wide markets which governs the price of meat and thus the price of livestock. For the price we pay for animals must be based on what the meat and by-products will bring.

Crib-Dried "Soft" Corn Beats Spoilage

by Wallace Ashby, USDA

Artificial drying of high-moisture corn in farm cribs should help stabilize livestock production. It should enable you to hold over corn for summer and fall feeding. When your corn is too "soft," it may be sold or fed before the warm weather of spring.

Farm crib driers were tested recently by USDA agricultural engineers and cooperating State Agricultural Experiment Stations. The artificial drying of corn in existing cribs proved practical. They required but inexpensive preparation to insure an equal distribution of heated air through the corn (such as sealing ends with heavy paper).

Value of the corn was increased 10 to 70 cents a bushel, as a result of the drying operations (based on amount of drying needed and current local discounts and prices). Fuel and power costs ranged from 2 1/2 to 9 1/2 cents a bushel, according to moisture removed, weather, and other factors. Labor, depreciation, and insurance would add to the total cost of drying. But it still would leave a good net gain—even if the corn were sold.

Artificial drying also makes it possible for you to harvest early. More important, it enables you to hold over grain needed for feeding on the farm—without danger of spoilage, regardless of its moisture content at maturity. Thus you can plan ahead for summer and fall feeding operations. You're assured of a ready supply of grain that is essential for that final market finish.

Early Fall Roundup

Rams equipped with a web harness for holding colored chalk, help "write" their own breeding records. This device is being used in the breeding flocks of many large Wyoming ranchers. It helps owners keep their records. They know when ewes will lamb... which lambs are from which sire.

Many feeder cattle are prone to contract shipping fever. This disease is a type of pneumonia. It may be brought on by fatigue, irregular feeding and exposure. Vaccination, two weeks before shipping, helps reduce the danger, reports the University of Illinois. Cattle arriving in the feed lot should be protected from cold winds and rain. Light, bulky feeds like whole oats and roughage should be fed. Sick animals should be isolated promptly and a veterinary called.

Control swine parasites—make more profit, suggests the University of Minnesota. Even fall pigs may be infested with internal parasites. Strict sanitation is the key to control. Clean and scrub farrowing pens with boiling lye water. Wash the sides and udders of sows with soapy water before farrowing. After farrowing keep the pigs on clean pasture until bad fall weather sets in.

Prices of Hogs May Rise or Fall But Competition Sets Them All

I have been with Swift & Company for 46 years. Most of my work has had to do with the buying of hogs and selling of pork and pork products. I would like to make a point that I believe should be of interest to you, as producers.

Do you remember when the top price for hogs in Chicago was 5 1/2 cents a pound? Some sold for as low as 3 1/2 cents a pound. That was in December, 1932. This year hogs hit an all-time high of more than 30 cents a pound. No meat packing company can control either livestock or meat prices. More than 3,500 competing meat packers and 22,500 other commercial slaughterers set that. So do 35,000,000 meat-eating families. No packer's buyer can hold down the price of livestock. No packing company could boost up the price of meat.

Now, here's the point I want to get across to you. These prices, both lowest and highest, were set by (1) the supply of hogs, and (2) the demand for pork.

Mr. Lund, guest editor this month, is Vice-President of Swift & Company in charge of hog buying, processing and distribution of pork products.

Special Classes Held For Parents At Carrollton

Carrollton—Parents and citizens responded in large numbers to the invitation extended by Olin Stead, superintendent of the Carrollton public school, to see the school in action Tuesday night as a part of the homecoming program which is being carried out in connection with American Education Week.

Regular classes were conducted during the evening as they are throughout the day at the school. The guests visited class rooms and saw the methods used to instruct the students.

Members of the cooking division of home economic classes prepared and served refreshments to guests. As the class room sessions were completed the guests and the students assembled in the gymnasium where the pupils of the third grade presented a short playlet using the American Education Week theme, "Strengthening the Foundations of Freedom." The program closed with a movie.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisons to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 16 miles of kidney tubes flush out poisons from your blood. Get Doan's Pills.

Determination To Face Realities Stressed In Armistice Day Address

The determination with which the people of America are facing the grim realities which confront them was stressed in an Armistice Day address given by the Rev. Roy S. Hulan of Central Christian church in a memorial service conducted Thursday at 11 a. m. in Central Park.

The service followed an impressive parade, which formed at the intersection of Church and State streets and marched to the business district.

Three bands were featured in the parade, which was composed of members of veterans organizations, patriotic groups and various civic clubs.

Upon reaching the square, the groups assembled around the monument where the services were conducted. Invocation was offered by the Rev. Arthur F. Ewert. The singing was led by Cecil Manning.

Describes Determination

In his address, Rev. Hulan described the determination of the American people as "a determination couched in the time-worn statement . . . 'We are determined that those who gave their lives in the wars gone by shall not have died in vain.'"

The hearts of the American people bear many scars, declared Rev. Hulan. He continued by saying: "Even as the green jungles of Corregidor swiftly covered the gashes made by bombs on her hillside, so the providence of time has covered many heart scars . . . yet, even as the scars of Corregidor remain, though unseen, so, too, there are many whose heart wounds have not been healed."

"The people must remind themselves again and again, said Rev. Hulan, 'that this armistice must eventually issue in a just and durable peace and not a repetition of the debacle of human society between 1918 and 1945.'

Warfare Sometimes Necessary

"It is still necessary for the world of medicine to use surgery on certain types of cancer . . . likewise, we have to use the sharp knife of military warfare to rid the body politic of many of its social cancers."

"It is not, however, reasonable to expect that the near future may hold a better answer, even as medicine has produced penicillin, streptomycin and the like, so nations will develop conscience?"

In concluding, Rev. Hulan remarked that the determination which fills the scared hearts of the American people will see to it that "whereas it used to be necessary for the flower of youth of a nation to die periodically, now they may live."

The parade was one of the largest staged here in a number of years, each marching unit being up to full strength.

Fred R. Bailey served as marshal and Gene Young as assistant marshal. Mr. Bailey issued a word of ap-

preciation to all organizations which participated in the fine turnout.

Following the parade open house for veterans was held at the Legion Home. The observance concluded with a dance Thursday evening at the State hospital. Music was by Boots Brennan and his orchestra.

Members Of Junior Club At Arenzville See Demonstration

J. F. Hicks and Mrs. Mary Munk participated in a demonstration given at the November meeting of the Arenzville Junior Woman's club held at the home of Mrs. Edward Hackman.

A business session followed the program, during which it was announced that the street signs have been completed and will soon be placed at the proper intersections. The erection of these signs is a project of the club.

An invitation was extended to members to attend the Home Bureau Hobby Show at Jacksonville Nov. 12 and 13 and also to be guests at the Nov. 18 meeting of the Ashland Junior Woman's club. Those planning to attend the meeting are asked to contact Mrs. Ralph Clark by Saturday.

During the social period, refreshments were served. Mrs. J. J. Newton, senior adviser, was a guest. Seven members were present.

The next meeting will be held Dec. 13 with Mrs. Arthur Schlueter. A gift exchange will be held, and a collection will be taken for Park Ridge School for Girls.

Auxiliary Plans Christmas Party

Jacksonville—The Worthey Post Unit of the American Legion Auxiliary made plans for their annual Christmas party at its regular meeting Monday evening in Chapman Hall. The Christmas party will be held December 13th at which time members will hold an exchange of gifts not to exceed 50 cents in price.

The committee, named to take charge of the Christmas program includes Mrs. Irene Walsh, chairman, Mrs. Clarinda Sego, Mrs. Mildred Whitley, Mrs. Ethelwyn Wise, Mrs. Lucille Wise, Mrs. Celia Kallal, Mrs. Nellie McGuire, and Mrs. Vera Edwards.

Shaved by the Ballot

The Dewey Mustache Club is in a lather. Organized in the defeated Republican candidate's home town, Owosso, Mich., with members pledged to grow Dewey hair-lips, it recently held final rites, with victorious Democrats shaving off the GOP mustaches. Lee Janissen, president of the club, has his removed by Gino Caruso, a staunch Democrat. Looking on are William Mills and Dave Dreuth, right, the latter waiting his turn.

Ebenezer Unit Of Home Bureau Names Chairmen

Division chairmen were appointed by the Ebenezer Home Bureau unit at a meeting held Tuesday at Hamilton's cafe, with the chairman, Mrs. Sam Challiner, presiding.

The appointments included Mrs. John Hadden as 4-H chairman; Mrs. J. D. Sandidge, publicity; Mrs. Howard Houston, home safety; Mrs. Marion Riggs, health; Mrs. Robert Houston, cards and flowers; Mrs. Herman Disrud, major projects; Mrs. J. D. Bunting and Mrs. Ivan Petefish membership; Mrs. Elmer Roegge, Mrs. Robert Houston and Mrs. Elmer Crabtree, ways and means; and Mrs. J. H. McFadden, recreation.

Mrs. Bunting gave a report on the committees for the hobby show, Nov. 12 and 13. The major lesson, "Care and Efficient Use of the Sewing Machine," was given by Mrs. Sandidge. Mrs. McFadden gave the minor lesson, "Making Bound Button Holes."

Activities during the social period were directed by Mrs. McFadden. Prizes were won by Mrs. W. B. Martin and Mrs. Elmer Crabtree.

Guests were Mrs. W. B. Martin and Mrs. D. E. Streeter. The hostess was Mrs. B. A. Bollmann.

Births

Mr. and Mrs. Oakley DeLay of Modesto are parents of a daughter, born at Our Saviour's hospital at 1:50 a. m. Thursday. The infant weighed seven pounds eight ounces.

Armistice Day

Thirty years ago this week the "Cease Fire" command ended World War I. And on that day we honored those who had fallen in the service of our country. Today, added to that honor roll are those who gave their lives in the second great world conflict. It is not enough this Armistice Day to honor the brave dead of two wars, but we must work and pray that still another world war's heroes are not to be mourned on future Armistice Days.

Chapin Church Willing Workers Elect Officers

Chapin—The November meeting of the Loyal Willing Workers Sunday school class of the Christian church was held at the church with Mrs. Ruth Calloway, Mrs. Estella Williams and Mrs. Hazel Anderson, hostesses. Fourteen members were present.

The new president appointed the program committee, Beulah McDaniel, Irene Hamilton and Corine Lashmet.

The program consisted of poems on Thanksgiving read by Miss Adelia Hamilton, Mrs. Bessie Waters and Mrs. Gertrude Goffnett. Lovely refreshments were served by the hostesses.

Berlin Zoo Faces Trouble

Berlin —(P)—Berlin's decimated but still extremely popular zoo is planning to cover its surviving monkeys with woolen blankets if the Soviet blockade holds and the winter is severe. This was decided by Director Katharine Helmroth as she drafted emergency measures to bring the zoo through its fourth—and perhaps most severe—postwar winter.

The zoo is in the British sector of the city and thus with the remainder of the three western occupied sectors, depends upon the Anglo-American airlift for supplies. Coal will certainly be in shorter supply than ever. Since many of the buildings are bomb-damaged, chill winds whistle through them and only small coal stoves are available to warm the cages. That's where blanket coverings would come in handy for the smaller animals, especially the monkeys.

Winter casualties in the past have been heavy. "Siam," the zoo's last elephant, died last winter. He had been sickened from the combined effects of age, short diet and cold. Other casualties in the past postwar winters have been from theft. Hungry people stole some animals and birds for food. Berlin's children now are helping to relieve the zoo's food problems by contributing gatherings of acorns, grass and straw.

The Olivers formerly resided in Chicago.

Brazil May Grow Own Wheat

Tucuman, Argentina—(P)—Brazilian cattlemen are turning to wheat growing to fill their country's need for bread. A California scientist, Dr. E. Morton Love, of the University of California, is helping the program. He is on loan to the experiment station at Porto Alegre.

Dr. Love, here for the South American Botanical Congress, explained that meat is cheap all through the state of Rio Grande do Sul, where Porto Alegre is located. Wheat, on the other hand, is expensive because Brazil has to import part of her needs. The government has a guaranteed price for Brazilian-grown wheat which makes it a profitable crop. Dr. Love said at least five of the large cattle growers have planted a few hundred acres of wheat experimentally this year.

Wheat in this area is harvested in October, which is the equivalent of April in the northern hemisphere.

Dr. Love is giving technical advice in the development of both wheat and grasses for animal feed.

Fingerprinting was not applied scientifically to identification work until the late 19th Century.

Miss Thiebaud Will Attend 4-H Club Congress

Carrollton.—Miss Barbara Thiebaud, daughter of Mr. and Mrs. Oscar Thiebaud, has been chosen to represent Greene county 4-H clubs at the National 4-H Club Congress in Chicago Nov. 27-Dec. 3.

Miss Thiebaud was chosen by the 4-H extension staff of the University of Illinois on the basis of her outstanding overall record in 4-H club work this year, in project work, in 4-H activities and in leadership. Miss Thiebaud was one of 26 4-H club members in the state chosen for this honor and while in Chicago the 26 will have reservations at the Stevens hotel.

Miss Thiebaud is a freshman at the University of Illinois and has been in club work nine years, being a member of the Berdan Busy Bee club directed by Mrs. Cletus Reynolds.

F. B. Dawson received word Tuesday of the death of his uncle, Clinton Dawson, who died Monday in Canton, Ill. Funeral services were held there Thursday afternoon.

Miss Rose Marie Geers, daughter of Mr. and Mrs. Leo Geers of this city, who has been employed by the telephone company in Louisville, Ky., has been transferred to St. Louis and will begin her work there the 26th. Miss Geers will spend Thanksgiving here with her parents, Mr. and Mrs. Geers.

White Hall Couple Wed Wednesday

Miss Emma Black and Henry C. Thaxton, both of White Hall, were the principals in a double-ring wedding ceremony Wednesday afternoon at 4:30 o'clock at the home of the Rev. E. L. Banta, 1009 W. State street.

The couple were attended by the bride's brother and sister-in-law, Mr. and Mrs. Charles Black of Hillview.

Following a short wedding trip Mr. and Mrs. Thaxton will make their home in White Hall, where Mr. Thaxton is a carpenter and painter.

N. U. Backs May Spell Trouble For Undefeated Irish

Evanston, Ill., Nov. 11.—(P)—What looks like "the game of the year" will fan 50,000 football fans into Notre Dame stadium Saturday to see the Irish and Northwestern play in the last scrap of their current series.

It will be Notre Dame's eighth 1948 appearance before a capacity audience and the "where can I get a ticket?" contingent is out of luck. The game was a complete sellout last Aug. 4.

Injured Members Returning
The lame and the halt have been returning to the practice sessions all week long so that both teams will be at near top physical peaks. Northwestern holds a definite edge in the fight for the Rose Bowl assignment Jan. 1 and the Wildcat platoon of powerful backs may spell a lot of trouble for the Irish Saturday.

Don Burson, quarterback from Lakewood, O., has directed the Northwestern backs on offense this year with the exception of the Syracuse game when he was in the hospital. His passes hit for two touchdowns in the Wildcats' 19 to 16 victory over Minnesota. He also pitched one against Ohio State. He has thrown for 405 yards on 28 completions in 67 tries this fall.

Shine On Offense
Halfbacks Frank Aschenbrenner, Johnny Miller, Ed Tunnicliff and Tom Worthington have dashed for 673 yards in seven games. Miller, a sophomore from Chicago, wrecked Ohio State with two last-half touchdowns and an average of close to 10 yards per try.

Aschenbrenner, a senior from Milwaukee, now playing his sixth year of college-military service football, didn't get really going this year until last week's triumph over Wisconsin when he counted two touchdowns. Tunnicliff, a sprinter on the track team, has an average of better than four yards per try. Worthington, although averaging only two yards an attempt, snagged a 6-point pass from Burson against Minnesota.

Keep Foes Under Pressure
Coach Bob Voigts' fullbacks, Art Murakowski and Gaspar Perricone, run hard and run well and pack a wallop that keeps their foes under pressure.

Northwestern has always been able to offer Notre Dame a stubborn battle and this year's meeting probably will be no exception. Although the Irish hold a 22 to three victory edge in the series, with two ties, the Wildcats will not only show up at South Bend Saturday, but will do their best to blast the Irish string of 19 straight victories.

Gavilan-Pellone Fight May Name New Challenger

New York, Nov. 11.—(P)—If Ray Robinson defends his welterweight championship in January as scheduled, he probably will meet the winner of tomorrow night's Madison Square Garden 10-rounder between Ed Gavilan of Havana and Tom Pellone of New York.

Gavilan, a flashy Cuban who has taken the best punches of Robinson and the Williams and come back for more, rates a 1 to 2 favorite to whip the rugged lad from Greenwich Village. The 20th Century Sporting club expects a crowd of 10,000 to pay \$40,000 for the Garden show.

If Robinson decides to give up his 147-pound crown because of trouble in making the weight, the Pellone-Gavilan winner would be in an excellent position. However, Robinson said last night he would fight for the title after the first of the year.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Nov. 11.—(P)—Hog prices started 50 cents higher today but lost to only steady prevailing values before the session ended. Trading was limited by the Armistice anniversary semi-holiday. Cattle were steady to lower and sheep 25 to 50 cents down.

Most good and choice barrows and gilts sold between \$22.50 and \$23.50, the day's practical top. One load edged up to \$23.60. Sows were \$20.25 to \$21.50.

Steers topped at \$40.75 but there was nothing else on the scant market to compare with the quality. Good to near-choice heifers brought \$26.50 to \$30.50, cows up to \$22.50, sausage bulls to \$23.75, and vealers to \$32.00.

Yearling stockers sold for \$28.25. Choice native lambs topped that division at \$25.50, with fed westerns absent. Good clipped lambs brought \$25.00, medium to good yearling wethers \$18.00, and best ewes \$9.25. Estimated receipts included 6,000 hogs, 4,000 cattle, and 2,000 sheep.

Two Ball Toters Have Traveled Over 1000 Yards

New York, Nov. 11.—(P)—Two football players, both stars of small college teams, have carried the ball more than a thousand yards from scrimmage this season—a feat yet unaccomplished by any of the talented leather-luggers from the larger schools.

They are Hank Treesh of Fanover College in Indiana, who also tops all the scores in the country with 102 points, and Tom Winbiger of the College of Idaho.

Total Of 1,197 Yards
Treesh has covered a total of 1,197 yards in just 83 rushing plays, averaging better than 14 yards per crack. Winbiger has carried the ball 118 times and picked up a total of 1,046 yards. His efforts cover eight games, whereas Treesh has played in only seven.

Despite their fine running, both players find themselves trailing two other gentlemen in the business of ground gaining by both running and forward passing statistics for the smaller colleges issued today by the National Collegiate Athletic Bureau disclosed.

Jim Peterson, Treesh's hanover teammate, is the leader in total offense with 1,371 yards, all but five of which have been chalked up by his forward passing.

The runner-up is Jim Macholtz of Anderson college in Indiana, who has made 740 yards on 114 running plays and 515 through the air for a total of 1,255. Following them in the total offensive standings are Treesh and Winbiger, who do no passing.

Second Place
While Peterson's passes have accounted for more total distance than any other player—1,346 yards—he stands in second place in the rankings based on total completions.

Head man in that department is Sam Gary of Swarthmore, who has completed 73 of 115 passes for 950 yards and 14 touchdowns. Peterson has completed 68 passes, 11 of them for scores.

Although he has been thrown for losses totaling 63 yards in the two dozen times he has tried to run with the ball, Don Fortunato of Northern Illinois State has flipped 136 passes and completed 56 of them for 1,079 yards.

Millikin-Wesleyan Clash Saturday In Loop Feature

With both teams battling for the College Conference of Illinois championship, James Millikin university and Illinois Wesleyan square off in Bloomington Saturday for the game that may decide the issue. Should Wesleyan win, they will be sole possessors of the title; if Millikin wins, they must defeat Lake Forest the following week to claim the crown.

The Wheaton Crusaders invade Ericsson field in Rock Island to play Augustana's Vikings. Aggie is unbeaten for two years on its home field. In the league's only other game, Elmhurst travels to Jacksonville to try an exit from the cellar in a game with Illinois college.

Outside the circuit, Quincy's strong Hawks are at Carthage Friday night, Lake Forest is at Albion, and North Central at Carroll, both on Saturday.

In last week's games, North Central left Elmhurst in the last spot with a convincing 34-6 win and Lake Forest stayed in the title race by blasting Illinois college 28-13. The Foresters have lost only to Wheaton in conference play. Under their new arc lights the Carthage Redmen pulled their annual upset victory, this time over Augustana by outlasting the Vikings 6-0.

Non-conference games saw: Illinois Wesleyan absorb its second defeat 7-0, at the hands of DePauw; Wheaton take a licking, 14-7, from Valparaiso; and Millikin lose to Eastern at Charleston 27-7.

Standings:

	W	L	Pts.	OP
Illinois Wesleyan	4	0	100	25
J. Millikin	3	1	56	38
Lake Forest	3	1	81	47
Wheaton	3	1	80	46

Four Lettermen Bolster Hopes Of Hornets

Mt. Sterling—Coach Maurice Root, beginning his second year as Mt. Sterling mentor after a successful debut in 1947-48, has only four lettermen around which to build another winning team.

The Carthage college graduate, led the departed Hornets to the championship of both the PMBC conference and the league tournament, the first time in history for any team to grab both honors. Mt. Sterling also went to the quarterfinals of the Winchester tourney, losing to Jacksonville, and the semi-finals of the regional, being beaten by Beardstown.

Five lettermen are gone, though. They are Vernon Flynn, Vernon Chute, Wendell Howard, Francis Bradbury and George Lewis.

Root will have the assistance of Tom McKinney, Western State graduate, in building the new club. The returning lettermen—Bill O'Connell, Raymond Stockless, George Northrup and Alfred Robinson—should help considerably.

Other promising upperclassmen include Bill Orr, Dick McClelland, Tom Steinbeck, Don Riggs, Don Clark, Charles Lewis, Dewayne Martin and Don Quincy.

A few sophomores are working for advancement to the varsity, and they're given a good chance by their mentor. They include Tully Heubler, Ted Barker, Chuck Davis and Floyd Clayton.

Mt. Sterling has carried a full chart of 20 games, with two tourneys, the Winchester and the PMBC, in between.

The card:
Nov. 24—Winchester.
Nov. 30—Camp Point.

Irish, Wildcats Both Boast Good Fullbacks

Chicago, Nov. 11.—(P)—If its full-backing needed in the Notre Dame-Northwestern showdown Saturday, that's where both teams must all over the field.

The unbeaten Irish have a superb performer at the spot—John (Pep) Panelli, Morrilton, N. J., who has averaged a team-leading 8.6 yards per crack this season, carrying 61 times for 525 yards in seven games.

One Of Best
Northwestern's Art Murakowski, from the steel district city of East Chicago, Ind., is one of the Big Nine's best fullbacks. "The work-horse of the swift Wildcat attack, Murakowski has packed the pigskin 90 times for 511 yards and a 5.6 average in seven games.

They say of Panelli's wide sweeps, that the Irish lush everybody except Coach Frank Leahy in front of Pep and off he pops into the wide open spaces. He rambles somewhat like a halfback—which he was his first two Notre Dame seasons.

Only halfback Emil, (Red) Sitko, has carried the mail more than the 185-pound Panelli. And Sitko, who has 637 yards in 104 attempts for a 6.3 average, is nursing a serious rib injury. That may mean more scurrying than ever for Panelli against Northwestern.

Like a real fullback, Panelli also is a beast on defense. He anchors one end of Notre Dame's bristling line-backing combination which also includes Guard Marty Wendell and Sophomore Center Jerry Groom. When Panelli hits them, they stay hit.

Remember Him
Notre Dame remembers Murakowski well. The sturdy 195-pounder with the explosive take-off played on the 1943 Great Lakes eleven which spilled unbeaten Notre Dame in the final seconds, 19-18.

After serving as a fireman on a destroyer minesweeper in the Pacific fighting, Murakowski came to Northwestern for a brilliant 1946 season as a varsity-playing freshman. He was named on Notre Dame's all-opponent backfield despite a 27-0 Irish win over the "Cats."

Like Panelli, Murakowski can jar opposing ball-carriers when he gets a chance to play defensively. That isn't as often as Panelli, because Coach Bob Voigts has preferred to keep him healthy for offense.

But when the chips are down, as they were when Northwestern was held to a 7-7 halftime tie by Ohio State, Murakowski is sent in to soften up enemy hot-shots with his deadly tackling.

The chips certainly will be down at South Bend, Ind., Saturday.

No Rookie in Family Life

Alvin Dark relaxes at his Lake Charles, La., home with his wife, Adrienne, and 10-month-old daughter, Vydra Allison. The Boston Braves' shortstop was voted National League's rookie-of-the-year.

Vandy Star May Set Record For Returning Punts

New York, Nov. 11.—(P)—Lee Nalley of Vanderbilt is well on his way to setting a new all time college football record for returning punts.

The National Collegiate Athletic Bureau reported today that Nalley has run back 31 punts for 557 yards in seven games. Only two players in history have returned punts for more yards in a full season. And Nalley has four games left to play.

Bill Geyer of Colgate set the all-time record of 616 yards in 1941. The second best total is 583 yards by Bosh Pritchard, now of the professional Philadelphia Eagles. He set it in 1939 at Virginia Military Institute.

The Vanderbilt team uses set blocking assignments on punt returns and Nalley is the key man. He has returned all but four of the kicks made against the Commodores.

Fred Haney Will Pilot Hollywood Baseball Club

Hollywood, Nov. 11.—(P)—The Hollywood baseball club, after viewing the nation for a new manager, selected one from its own broadcasting booth.

Fred Haney, 49, who broke in with Portland in the Pacific Coast league in 1918, will pilot the Stars next year. He managed the St. Louis Browns from 1938 to 1941, and played for such major league teams as Detroit, the Boston Red Sox, Chicago Cubs and St. Louis Cardinals.

Haney has been broadcasting cast league games.

He succeeds Jimmy Dykes, who resigned late last season.

Lots of Football Player

Pacific northwest college coaches eye Don Johnson, a 17-year-old center, and don't have any trouble seeing him. The youngster stands six feet two, weighs 335 pounds. When he isn't playing football with Gresham, Ore., High's undefeated team, he's tossing 100-pound sacks of grain around in his father's feed store.

Roodhouse Swamps White Hall Club 28-0 Thursday

White Hall—Roodhouse, 21-6 victory over White Hall early in the season, but a distinct underdog on the basis of later season records, walloped the White Hall Maroons 28-0 in an Illinois Valley combat here Thursday afternoon. Thus the series between the two close rivals continued its reputation as a big upset producer.

The home eleven was completely outclassed from start to finish. The Maroons' deepest advance was to the Railroaders 19-yard line, and that was in the fourth chapter.

Roodhouse amassed 11 first downs to five for the losers.

The victors scored one touchdown in each quarter, and added a first-period safety for good measure.

White Hall opened strong and drove into Roodhouse territory, but Garner intercepted a Maroon back to a touchdown. A plunge for extra point was short, but the Railroaders had enough points for victory.

Later Milnes was tackled in the end zone by Sliton and the winners had two more tallies.

A Ballard to Benner pass set up Roodhouse's second period score. Garner scored again, going 17 yards around left end. Ballard plunged for another point.

Three first downs and a 15-yard penalty gave Roodhouse the ball on the White Hall two in the third quarter. Garner plunged over, then went around left end for the extra point.

Ballard passed to Bess to set up the line four yards to score. The plunge for extra point was no good, but it didn't make much difference.

By quarters:
Roodhouse 8 7 7 6—28
Officials: Hemminger, Alton, referee; McLain, Roxana, umpire; Rosetti, Carlsville, head linesman.

Arenzville Cagers Lack Experience, Have Tough Chart

Arenzville—Coach Jack Escoria's new edition of the Arenzville Raiders will be inexperienced and they face a comparatively tough schedule. That's why the popular Cass county mentor will be more than satisfied if his club can cop anywhere near half their contests.

Four lettermen—Harlan Roegge, Gordon Luppert, Don Kolber and Don Wessler—return from the 1947-48 aggregation which won 29 out of 30 contests, capturing firsts in the Virginia, Ashland and district tournaments. Six lettermen are gone, including four regulars.

Escoria has lined up a tough slate, though, with the intention of molding another fine team.

Such names as Stan Lovekamp, Leroy Lovekamp, Paul Beets, Byron Lovekamp and Max Wessler won't fill newspapers of this area any more. Instead, Arenzville boasts 18 prospects for the new traveling squad.

In addition to the lettermen, Escoria lists candidates as: Bill Carl, Melvin Wessler, Paul Kien Schmidt, Richard Lovekamp, Roland Carl, Richard Fricke, Jack Hausmeier, Floyd Jones, Edgar Ham, Max Zulu, Ray Schnitzer, Norman West, Clyde McClelland and Glenn Roegge.

Arenzville opens its 23-game card at home against Chandlerville Tuesday, Nov. 16.

Bobby Jones Walks Again

Atlanta, Nov. 11.—(P)—Bobby Jones, the retired emperor of golf, is walking for the first time in two weeks following an operation on his spinal cord.

Emory University hospital authorities said today the former grand slam golf champion will be released within two weeks and that he is allowed to walk about his room. His condition is "entirely satisfactory."

The hospital added that rumors he would never play golf again are false.

Jones underwent an operation October 30 to relieve an upper spinal cord compression due to an old intervertebral disc.

MADE CHANGE
Development by the United States of the all-metal fighting plane several years ago rendered obsolete all other types of military craft, both here and abroad.

Crimsons Strike Early To Defeat Favorites; I.S.D.'s Only Setback

Jacksonville high school's Crimsons, unusually sharp on blocking and tackling during the first half, scored once in each of the initial two periods at J.H.S. athletic field Thursday afternoon to capture the city grid championship with a 13-7 victory over Illinois School for the Deaf's outclassed Tigers.

Two desperate, high, looping passes following a short, low Jacksonville punt with only three minutes of playing time remaining prevented a shut-out. The Tigers, who hadn't been blanked during their entire highly-successful season struck fast once the opportunity presented itself. But that was their only serious threat of the entire afternoon.

Offensively Superior
Jacksonville was offensively superior in every department. The Crimsons racked up 13 first downs compared with six for the losers. Coach Bob Kraushaar's eleven gained 93 yards and one touchdown by passing while the Tigers picked up 26 yards and one TD. On the ground, the winners picked up a net of 153 to 84 for the westenders.

Both teams saw one pass intercepted.

Jacksonville's greatest weakness lay in fumbling, which cost them one certain touchdown and another possible. Three times the hosts handed the pigskin away. The Tigers lost the ball once on a miscue. Just as predicted, it was Stan Spotts who stole the show. The J.H.S. halfback ran, passed and kicked the favored I.S.D. eleven silly. But he had good help from eight other backs and a host of linemen. The Crimsons broke out a greatly changed offense in a successful attempt to take advantage of what they have long considered the "Tigers' greatest weakness—pass defense."

Two Passers Successful
First Johnny Walker, then Spotts chucked aerials at the drawn-in I.S.D. backs. And when the Tigers dropped back to protect, Jacksonville runners took turns plunging through the line.

Another Jacksonville weapon which has been used sparingly this season but was utilized to full effect against the westenders was Spotts' quick kick. Several times during the game the boots caught the Tiger safety man and secondary too close to the line.

It was a team victory for Jacksonville. Even in the first half, with only a six-point lead, Coach Kraushaar was employing his bench of players who have seen limited action during the season. Several additional letter winners were added to the J.H.S. list by the tactics.

In direct comparison was the strategy of I.S.D. Mentor Art Yates, who failed to make a substitution during the entire 48 minutes of playing time. It was nothing new for the Tigers, however. The first string has handled the bulk of assignments in all close combats played this year.

3-5-1 Season Record
The Jacksonville victory gave the Crimsons a 3-5-1 season record, better than that compiled in 1947 despite gloomy predictions at the first of the year. It was the first setback in eight games for the Tigers, who were tied last week by Iowa Deaf.

Encouraging to Jacksonville fans was the showing of numerous underclassmen, who saw considerable use. Johnny Walker and "Peewee" Campbell looked especially good in the backfield and Ruel Becker was a standout as a line backer.

While J.H.S. was vastly superior in the first half after the Tigers' game-opening drive, the losers played on more even terms in the last two chapters, even outscoring the eventual victors.

Sixteen seniors were playing their final high school football, and the crack of leather against leather on Iowa Deaf.

Cripples Entrain With Ohio State For Weekend Tilt

Columbus, Ohio, Nov. 11.—(P)—Coach Wesley Foster took all his cripples along tonight as the Ohio State University football team headed for Champaign and Saturday's game with Illinois. They plan to spend tomorrow night in Danville, Ill.

All got into uniform today for the last drill. They are fullback Joe Whistler of Willard, ends Bob Dorsey of Houston, Tex. and Chuck Gilbert of Columbus, Quarterback Pete Perini of New Village, N.J., and guard George Tonneff of Barborton.

"We're as strong as we can be under the circumstances," Foster said.

Emory University hospital authorities said today the former grand slam golf champion will be released within two weeks and that he is allowed to walk about his room. His condition is "entirely satisfactory."

The hospital added that rumors he would never play golf again are false.

Jones underwent an operation October 30 to relieve an upper spinal cord compression due to an old intervertebral disc.

BUTTON-BUTTON AIN'T WHAT SHE USED TO BE
Denver — (P) — This may have been an exciting election campaign for some people, but not for Charles F. Mulford. He collects campaign buttons. He said there was "no zip or appeal" in the current crop.

Although Mulford started his collection only 10 years ago, he has dozens of buttons and badges dating back to Martin Van Buren's campaign of 1836. He thinks the buttons of 1948 were pretty tame when compared with the "Full Dinner Bucket" badge of the McKinley-Roosevelt 1900 ticket, William Jennings Bryan's "Silver is Good Enough for Me," or Teddy Roosevelt's bucking bronco and motto, "He never Pulled Leather."

89-Yard Drive
After stalling I.S.D.'s early advance on the Jacksonville 40—the Tigers' deepest penetration of the first half—the Crimsons took over when Alta Hood punted. Spotts returned the kick to the host 38, but a clipping penalty set J.H.S. back to their own 11.

Jacksonville's 89-yard touchdown drive was terminated by Spotts' 20-yard scamper around right end on a back lateral play. A plunge off tackle failed to pick up yardage necessary for an extra point.

The Tigers played in their own back yard for the remainder of the first half.

It was after a punt off the side of Hood's foot went out of bounds on the I.S.D. 16 that J.H.S. struck pay dirt again. After Jacksonville lost four yards on a fumble, Spotts headed across the field on what appeared to be a sweeping end run. However, he leaped into the air and chucked the ball in on the five and strolled on across the chalk mark. This time Spotts plunged for another point.

Get New Life
It was with three minutes and 10 seconds of the fourth period remaining that the Tigers got new life. Stanley Kwiat, I.S.D.'s charging fullback, returned the poor punt to the Jacksonville 25. After Early gained five yards on an end run, Billy Yates chucked passes to the two ends, Villani and Zuziak, to account for the remaining distance. Zuziak got credit for the tally, making the catch in the end zone. Kwiat plunged for the extra point.

Jacksonville ran four quarterback sneaks and lost 10 yards on an end run to kill the remaining two minutes.

Football Over, Roodhouse Cagers Begin Workouts

Roodhouse — Football forgotten after the annual season finale against White Hall, Roodhouse athletes are beginning preparations for a strenuous 1948-49 basketball campaign.

Coach Mason Campbell has only five returning lettermen from the previous club, which won 14 and lost 9, winning first in the Winchester tournament, second in the Jerseyville regional meet and third in the Greene county tourney.

THE STORY

Time, 1890. Place, New Orleans. Louis Durand, 32, a well-to-do bachelor, has been corresponding with Miss Julia Russell, whom he has never seen. He has proposed marriage and she has accepted. According to her picture, Miss Russell is a dark-haired, strong-featured and no longer young. Durand goes down to the dock to meet the woman every time she comes from St. Louis. He is dumfounded when an exquisite young blond creature introduces herself as Julia. She explains her little deceit by saying she didn't want him to fall for just a pretty face. Durand is enchanted with her and they are married. Certain things puzzle him, however, during their first days together. Among them is the fact Julia has never opened her trunk. She insists she lost the key. When a letter arrives from her sister chiding her with not writing, he insists she lost the key. When a letter arrives from her sister chiding her with not writing, he insists she lost the key. When a letter arrives from her sister chiding her with not writing, he insists she lost the key.

XII

SHE allowed him to precede her to the bank, as was her womanly prerogative. But once he had arrived, she kept him waiting no more than the fractional part of a minute. In fact so precipitately did she enter, on his very heels, that it could almost have been thought she had been waiting at some nearby vantage point simply to allow him first entry before starting forward in turn. She accosted him before he had little more than cleared the vestibule. "Louis," she said, placing her hand confidentially on his wrist to detain him a moment, "I have been thinking about this since you left the house. I am not sure I want you to do this after all. You may think me one of these presuming wives who—Had we not better let things be as they are?" He patted her arresting wrist. "Not another word, Julia," he said with fine masculine authority. "I want it so."

Whatever's Torn Up, Goes Down

At Lille, France, police stand watch as strikers who tore up paving blocks to erect barricades during clashes with guards and troops are forced to repair the damage.

U.S.S. Pensacola Goes Down After Heavy Shelling

With the First Task Fleet, Nov. 10—(AP)—(Delayed)—Twelve thousand men and one billion dollars worth of assorted naval ships and planes sank the veteran heavy cruiser U.S.S. Pensacola today after a 6-hour pounding.

The end of the vessel that the Japanese navy and an atom bomb could not sink was almost anticlimatic. She had survived for 64 minutes one torpedo which had blown off her bow, and then turned lazily over and went down bow first after a second torpedo had failed to explode.

The tough 18 year old 9,100 ton cruiser stood up well under a carefully planned assault participated in by 20 naval ships and 200 planes.

Sixteen destroyers, three aircraft carriers and the cruiser Tucson joined in the attack. Bombs ranging up to 500 pounds and thousands of rounds of lighter ammunition were fired.

Navy officers said she could have been sunk almost immediately but it was decided to prolong the Pensacola's final day to give the "maximum amount of practice to the maximum number of ships and men."

Layoff Boosts Number Of Idle Chrysler Workers

Detroit, Nov. 11—(AP)—Another layoff today boosted to 13,500 the number of Chrysler Corp. employees idled by a dispute over production rates.

The Dodge truck plant was the fourth one affected. A shortage of engines forced the shutdown of the heavy duty assembly line there and the company sent 800 workers home. About 5,500 already had been idled at the company's Jefferson plant, 5,800 at its Kerkcheval plant and 1,200 at its De Soto plant. Only 50 of 4,500 workers on the night shifts at the Jefferson and Kerkcheval plants showed up tonight.

The dispute stemmed from the disciplining of two machine operators accused of failing to meet production standards.

Say Berlin Lift Planes Weapons For World Peace

Portland, Me., Nov. 11—(AP)—Lt. Gen. Edwin Rawlings, commander of the U.S. Air Force, said today that American air lift planes supplying weapons for world peace.

He told a National Grange convention Armistice Day gathering that if the air lift continues to be successful, this country might need never test its military defense weapons in another war.

"Peace is being preserved," the general said. "Our prestige is not only being maintained—it is being greatly increased."

Meanwhile, the convention heard the Republican-controlled 80th congress defended by J. T. Sanders, the farm organization's legislative counsel in Washington.

In a report on that congress, Sanders said he could not agree that it was a "do-nothing" body—a tag given it by President Truman in the presidential campaign.

Plan Organization Of New Fraternity At Illinois College

Formation of an Illinois College chapter of Alpha Phi Omega fraternity appeared evident Thursday following a discussion period on the proposal held on the campus Monday evening. Former Boy Scouts interested in the continued welfare of Scouting in America are eligible to join.

The meeting was attended by Arthur Samore, business manager of the college, Russel Verner of the Alpha Rho chapter, University of Texas, and Edward B. Liljebald, national fraternity representative, affiliated with chapters at Michigan College of Mining and Butler university.

Samore welcomed the group on behalf of the college and said that "the college officially has approved the organization." He also introduced Liljebald, chairman of the meeting, who presented a brief account of the history and development of the fraternity.

Verner explained the chapter offices, the need for faculty backing, the types of meeting each chapter holds, and told of the time needed for participation on the part of each member in the fraternity.

Russel Walton, junior at the college and an Eagle Scout, said that chapters of the fraternity do not maintain chapter houses. He went on to say that the organization "crosses all lines of honor, social and professional fraternities and societies, and that members of other campus organizations may also be active in the fraternity."

At the next meeting, to be held Nov. 23 in the Jones lecture hall, temporary officers will be elected and steps will be taken toward the completion of the requirements for a charter, which include 25 or more undergraduate members, five or more faculty advisers, two or more scouting advisers, letters of approval from the college and the local scout council, charter and individual initiation fees and an acceptable activity program for the first year.

Bluffs Household Club Celebrates 35th Anniversary

Bluffs—The Bluffs Household Science club held its regular meeting Tuesday afternoon in the Bluffs civic club rooms with members of the newly organized Mercedia Woman's club as guests.

An interesting talk on "Interior Decorating," by Mrs. Edith Bouch, of Dikrsons furniture company of Springfield was the feature of the afternoon.

She discussed proper color schemes, the type of furniture in different types of homes. Questions were asked at the close of the talk.

During the business session, presided over by the president, Mrs. Edward Albers, contributions were made for books for the library, Park Ridge School for Girls, an educational project for sponsoring a school project for devastated Holland, France and Finland and the Trail Rangers fund.

Reports were made on the recent bake sale by Mrs. O. A. Woodson and from the serving of the Civic club by Mrs. Oliver Chambers. Mrs. William Kilver gave the report of the district club meeting held in Canton.

Mrs. Albers called attention to the 35th anniversary of the club which was organized on Nov. 17, 1913, by reading a short history.

The first meeting was held at the home of Mrs. E. D. Beird. The women elected Mrs. J. C. Lewis its first president. The only original member of the club whose name still appears on the year books is Mrs. Emma Thompson.

She was recently honored by being made an honorary member and also by the purchase of an acre of pine in the Mason State Forest near Havana as a living memorial.

Some members of the original group still living, including Mrs. Thompson, Mrs. Louellen (E. D.) Baird, Mrs. Effie Burrus, Mrs. John Korty, all of Bluffs; Mrs. William Vannier of Decatur, Mrs. E. D. Canatsey of Jacksonville, Mrs. Pearl Black of Springfield and Mrs. A. J. Green of Pittsburgh, Pa.

Other members of the original group included Mrs. J. G. Lewis, Mrs. Henry Oakes, Mrs. Sawyers, Mrs. George Vannier, Mrs. Sam Rockwood, Mrs. Corrigide, Mrs. Herman Finney, Mrs. Anna Arundel, Mrs. Kimson, Mrs. Ashley, Mrs. Kate Reese, Mrs. Montague, Mrs. Chas. Collins, Mrs. Hunt Sargent, Mrs. Henry Knoepfel and Mrs. Tewksbury.

The second meeting of the club was held at the Oakes home on Dec. 9. Since the beginning of the club about 200 women in Bluffs have had their names upon the membership roll.

Some members of today followed their mothers into the organization, among them Mrs. Oliver Chambers, daughter of Mrs. William Vannier, Mrs. O. A. Woodson, whose mother, Mrs. Sarah Carver became a member in 1914; Mrs. Ben Placke, whose mother, Mrs. Della Carpenter, was active for many years and Mrs. Placke is now observing her 20th year of membership and Mrs. E. L. Kendall, daughter of Mrs. Lewis who was the first president.

Past presidents include Mesdames Lewis, Etta Oakes, H. C. Finney, Sarah Carver, O. A. Woodson, John Korty, J. A. Knoepfel, Eleanor Hildebrand, Rosa Finnigsmier, Johanna Vannier, Ella Merris, Clara Bird, Effie Burrus, Bess O'Brien, Georgia Munlin, Emma Thompson, Esther Grote, P. H. Vannier, Ina Kriska, Doris Korty, T. Mahan, R. L. McConnell, Floyd Hart, M. C. Parker, Edward Albers, James Baird, Guss Andrus, and William Kilver, Mrs. P. H. Vannier has served three terms as president and Mrs. J. A. Knoepfel and Mrs. E. Albers two terms.

At the close of the afternoon delicious refreshments of cup cakes and coffee were served by Mesdames James Baird, Harvey Vortman, James Dugan and Ted Jarvis. Decorations in keeping with the Thanksgiving season were used.

PLAN GOSPEL SERVICES

A series of gospel services will begin Sunday at 7:30 p. m. at East Liberty school, located one-half mile west and one mile south of Orleans. The meetings, which will be conducted by Miss N. Hill and Miss V. Micheltete, will continue each evening except Monday and Saturday.

GAS STOVE IGNITES KITCHEN CURTAINS

The local fire department was called to the home of George Matthews, 604 South Main street at 12:55 p. m., Thursday when curtains in the kitchen were ignited from a gas stove burner.

Mr. Matthews had extinguished the blaze when firemen arrived. Several curtains were destroyed and the wall paper damaged.

Taxicab Stolen Early Thursday Later Recovered

A DeLuxe taxicab was stolen from its parking place near the Union Bus station on West State street early Thursday morning while the driver was in the bus station.

The stolen taxicab was found later Thursday morning on East Lafayette avenue near Howe street. It had not been damaged.

Virgil Hennessey, the driver, told police that he was absent from the cab about five minutes. He discovered its theft at 2:55 a. m.

The name DeLuxe was on both sides of the 1942 green Ford sedan, and the name also was on a top light. The license number is 026804.

Police put a description of the taxicab on the state police radio network.

Republican Senate Will Cooperate With Demo Leaders

Chicago, Nov. 11—(AP)—State Sen. Simon E. Lantz of Congressville, Republican caucus chairman, said tonight the Republican-controlled Illinois Senate "doesn't intend to go into a program of obstructionism."

Lantz said Republican senators meeting here today "want to see the state go ahead."

The 1949-50 legislative session will be the first divided legislature in eight years. Democrats swept 16 seats from Republican hands in the House in the Nov. 2 election to gain a majority, 81 to 72. Republicans lost five Senate seats but are in control there, 32 to 18. One Senate seat—in the fifth district—is still vacant because of the death of GOP Senator George D. Mills, of Chicago.

The Senate confirms major appointments made by the governor. This leaves Republican senators in a position to stymie moves by Democratic Governor-elect Adlai E. Stevenson.

Lantz, who termed today's meeting "just a get-together, not a caucus," said:

"Everyone is interested in his district and, of course, he can't help his district without helping the state."

He said the 29 senators at the meeting expressed a "general sentiment against additional taxes and an interest in passing good legislation for the state."

A committee was appointed to study Senate rules for possible changes.

Lantz said he expected to call another meeting late in December or early in January.
